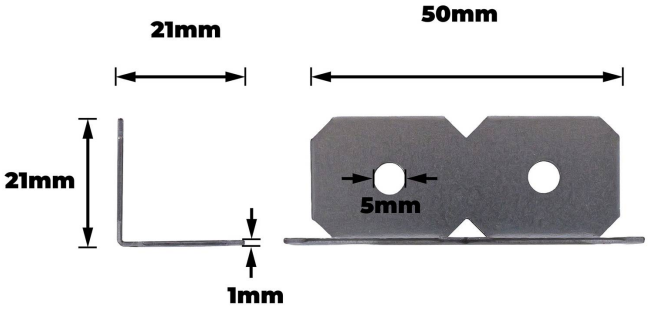
Carinya 20 x 20 x 50 x 1mm Steel Angle Bracket - 50 Pack



Description

Carinya 20 x 20 x 50 x 1mm Steel Angle Bracket - 50 Pack is a precisely manufactured steel bracket featuring galvanised protection and robust construction. It is designed for secure and reliable structural support in various applications. The bracket offers dependable performance in load-bearing installations and provides professionals with consistent, durable reinforcement for assembly tasks. It meets the practical requirements of trade and construction professionals.

Features

- Constructed from high-quality galvanised steel for lasting durability
- Features accurate 20x20x50mm design with 1mm thickness
- Simple bracket design for secure mounting in varied applications
- Engineered galvanised steel construction enhances durability and corrosion resistance
- Robust bracket design enables secure structural fixes and reinforcement
- Practical 50 pack provides value with consistent product quality
- Manufactured by Carinya for assured performance and reliability
- Ready for use based on precision engineering and quality materials

Product Code: MA0006

Dimensions

Product Length (mm)	21
Product Width (mm)	21
Product Height (mm)	50
Product Thickness (mm)	1
Diameter of Fixing Holes (mm)	5

Appearance

Product Colour	Galvanised

Construction

Product Material 1	Steel

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	No
