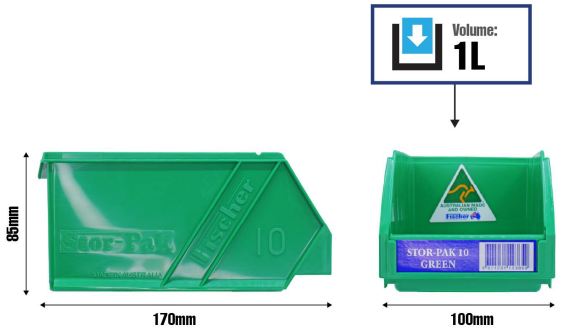
Fischer Green 1L Stor Pak

Fischer Plastic Products Pty Ltd.
Proudly 100% Australian owned and made

TUB SPECS



Stor-Pak 10 | F1H-061G

Product Code: F1H-061G

Description

Fischer Green 1L Stor Pak is a stackable storage bin made from polypropylene for efficient organisation of tools, components and supplies. It provides a practical solution for managing items in indoor settings, aiding trade professionals in maintaining orderly workspaces. The design facilitates easy stacking and clear labelling, ensuring that contents remain accessible while optimising space utilisation in work areas.

Features

- Robust polypropylene construction ensures long-lasting performance
- Stackable design maximises available storage space
- Reliable container facilitates organised access to items
- Precision moulding provides secure stacking and alignment
- Green colour enhances visual distinction in storage areas
- Designed solely for indoor use and efficient organisation
- Sturdy build delivers dependable performance under regular use
- Trusted Fischer quality assures consistent product reliability
