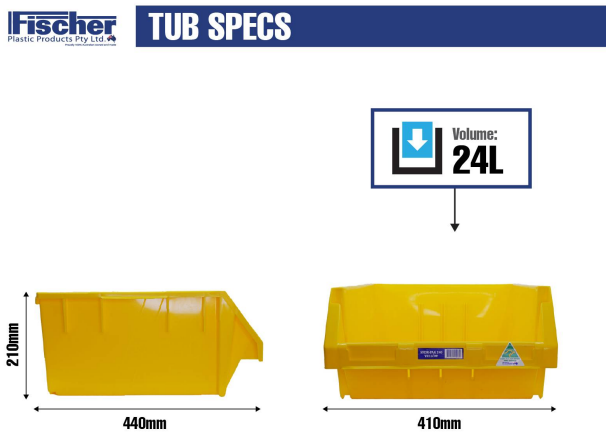
Fischer Yellow 24L Stor Pak



Product Code: F1H-065Y

Description

Fischer Yellow 24L Stor Pak is a set of stackable storage bins designed for efficient organisation and accessible part storage. Constructed from durable polypropylene, the bins offer a practical solution to keep work areas tidy and streamline retrieval of components. Suitable for trade professionals working in workshop and office settings, they support organised workflows and simplify management of small items, thereby contributing to operational effectiveness and space optimisation.

Features

- Stackable design for space-efficient storage
- Made in durable polypropylene material
- 24L capacity optimised for efficient storage
- Vibrant yellow enhances visibility and identification
- Specifically designed for indoor use
- Reliable Fischer brand for quality performance
- Easy to label and organise contents
- Secure lids keep stored items in place

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Yellow

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	210
Product Width (mm)	440
Product Length (mm)	410

Weights

Product Weight (kg)	1.315
Product Weight (grams)	1,315
Volume Capacity (L)	24
