

Description

Metal Mate 50 x 50 x 4mm x 3m Galvanised Steel Angle is a robust L-shaped equal angle finished in silver and crafted from galvanised steel. It provides consistent structural support and precise fitting for a range of construction and fabrication applications. Its practical design promotes ease of handling and secure assembly in trade and professional settings, ensuring reliable performance and longevity in operations where dependable performance is essential.

Features

- Galvanised steel construction ensures excellent corrosion resistance
- Equal angles deliver balanced load-bearing strength
- L shaped design supports versatile application options
- Precisely manufactured 50 x 50mm dimensions with 4mm thickness
- 3 metre length provides extended support span
- Silver finish offers a sleek and modern appearance
- Robust build delivers durability in demanding applications
- Trusted Metal Mate quality promotes confidence in performance

Product Code: 13216

General

Product Type Equal Angles

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Galvanised Steel

Dimensions

Product Thickness (mm)	4
Product Height (mm)	50
