

Metal Mate 32 x 32 x 1.5mm x 0.6m Black Slotted Angle

Description

Metal Mate 32 x 32 x 1.5mm x 0.6m Black Slotted Angle is a robust L-shaped slotted angle fabricated from steel and finished in black. It offers precise alignment for secure attachments in trade applications and supports accurate repositioning during assembly. The evenly spaced slots allow straightforward installation and modification, enhancing productivity in tasks that require dependable structural support and comprehensive adaptability. Its technical design meets the demands of professionals seeking consistent and efficient performance.

Features

- Manufactured with durable steel for long lasting strength
- L-shaped design enables versatile mounting configurations
- Precision slots facilitate adjustable fixer point placements
- Uniform black finish provides a neat professional look
- Engineered for secure connections and reliable structural integrity
- Standardised dimensions support compatibility with common fittings
- Designed for ease of installation and simplified assembly
- Trusted Metal Mate quality ensures dependable enduring performance
