

Metal Mate 32 x 32 x 1.5mm x 1.2m Black Enamel Slotted Angle

METAL DIMENSIONS

Description

Metal Mate 32 x 32 x 1.5mm x 1.2m Black Enamel Slotted Angle is a slotted, L-shaped steel component featuring a durable black enamel finish. It provides a practical solution for creating precise, adjustable frameworks and support structures while maintaining straightforward assembly processes. Its measured dimensions and slot design facilitate accurate fittings for custom installations, offering trade professionals a reliable, technically sound option for structured projects.

Features

- Durable steel construction for reliable structural support
- Precision slotted design enables accurate component placement
- L shaped geometry offers secure stable corner mounting
- Black enamel finish improves corrosion resistance
- 32 x 32 mm section enables versatile mounting
- 1.5mm wall thickness boosts load bearing capacity
- 1.2m length covers broad project dimensions
- Precision engineering provides reliable performance

Product Code: 13502

General

Product Type Slotted Angle

Appearance

Product Shape L-Shaped

Product Colour Black

Construction

Product Material 1 Steel

Dimensions

Product Thickness (mm)	1.5
Product Height (mm)	32
Product Width (mm)	32
Product Length (mm)	1200
