

Metal Mate 32 x 32 x 1.5mm x 1.8m Black Enamel Slotted Angle

METAL DIMENSIONS

Description

Metal Mate 32 x 32 x 1.5mm x 1.8m Black Enamel Slotted Angle is a precision-engineered slotted angle designed to support accurate assembly and mounting applications. Fabricated from high-quality steel and finished in black enamel, it features an L-shaped profile that offers reliable stability and measurement consistency. Its deliberate design facilitates secure structural applications and framework integration, making it a valuable component for trade professionals who require precise, durable solutions in their projects.

Features

- High quality steel construction provides added durability
- Black enamel finish offers a neat, professional appearance
- L-shaped design supports secure and stable fixings
- Slots enable adjustable brackets for versatile mounting
- Precise dimensions: 32 x 32 x 1.5mm, 1.8m length
- Efficient design facilitates rapid setup and adjustments
- Engineered for consistent performance in varied applications
- Metal Mate ensures reliable quality and dependable construction

Product Code: 13503

General

Product Type Slotted Angle
