

Metal Mate 30 x 3mm x 1m Galvanised Steel Handyman Flat Bar

Description

Metal Mate 30 x 3mm x 1m Galvanised Steel Handyman Flat Bar is produced from robust steel in a flat strip design with a silver finish. It provides a reliable, precisely engineered component for assembly, repair, and construction tasks, ensuring stability and accuracy during fabrication. The flat bar's versatility and strength make it an essential resource for trade professionals seeking practical and effective solutions in their projects.

Features

- Constructed from high-quality galvanised steel for long service
- Flat strip design allows precise alignment in assembly
- Uniform silver finish provides professional clean appearance
- Accurate 30 x 3mm x 1m dimensions for reliable fitting
- Engineered flat profile guarantees ease of installation
- Rigid construction supports strong load-bearing applications
- Precision machining delivers consistent quality and performance
- Metal Mate brand symbolises dependable industrial hardware quality

Product Code: 16205

General
