

Metal Mate 50 x 3mm x 1m Galvanised Steel Handyman Flat Bar

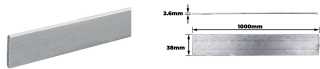

Description

Metal Mate 50 x 3mm x 1m Galvanised Steel Handyman Flat Bar offers a flat strip profile crafted from galvanised steel. Its silver finish provides a consistent, durable surface ideal for repair work and general construction tasks. Designed with precision, the flat bar ensures proper alignment and reliable support for structural adjustments, meeting the demands of trade professionals through its sound construction and practical application.

Features

- Constructed from galvanised steel for robust durability
- Flat strip profile offers even load distribution
- Silver finish provides a professional neat appearance
- Precision engineered dimensions ensure accurate construction alignment
- 50 x 3mm x 1m dimensions support precise applications
- Engineered for consistent performance in varied applications
- Smooth surface finish aids rust resistance and longevity
- Quality manufacturing guarantees precise and reliable product performance
