

Metal Mate 102 x 102 x 21 x 1.5mm Galvanised Steel Corner Bracket

Description

Metal Mate 102 x 102 x 21 x 1.5mm Galvanised Steel Corner Bracket is an L-shaped support element manufactured from galvanised steel with a silver appearance. It is designed for reinforcement and connection applications in metal fabrication, assembly and structural reinforcement. Its design offers consistent performance and straightforward installation, providing effective support and precise load distribution for trade professionals involved in framework assembly and component alignment.

Features

- L-shaped design ensures robust angular support
- Constructed with galvanised steel for enhanced durability
- Finished in silver for a modern industrial look
- Precise 102x102x21x1.5 mm dimensions support accurate assembly
- 1.5mm thickness secures reliable load support
- Precision manufactured for strong stable bracket performance
- Simplifies connection of intersecting structural elements
- Metal Mate guarantee ensures parts integration in assembly

Product Code: 16551

General

Product Type Corner Brackets

Appearance

Product Shape L-Shaped

Product Colour Silver

Construction

Product Material 1 Galvanised Steel

Dimensions

Product Thickness (mm)	1.5
Product Height (mm)	13
Product Width (mm)	102.6
Product Length (mm)	102.6
