

Easyroll 2.50x4" Pneumatic Black Rubber Wheel Spare 140kg

Description

Easyroll 2.50x4" Pneumatic Black Rubber Wheel Spare 140kg is designed for dependable replacement in technical service applications. The product features a black rubber tyre with a plain bearing and nylon wheel, combined with a ply rating of 4. It fits tubes sized 250X6 / 2.50-6, ensuring consistent performance both indoors and outdoors. Trade professionals benefit from its engineered construction and practical technical advantages.

Features

- Black rubber tyre offers robust performance and stability
- Nylon construction enhances durability in variable conditions
- Tube fits 250x6 and 2.50-6 wheel sizes
- Four-ply build increases tyre strength and longevity
- Plain bearings ensure smooth rotational movement
- Load capacity up to 140kg supports moderate demands
- Designed for indoor and outdoor application versatility
- Engineered for consistent operation during extended usage

Product Code: 250X4TYRE

Specifications
