

SIT Steel Crimped Wire Wheel 100mm x 16mm

Description

SIT Steel Crimped Wire Wheel 100mm x 16mm is a robust crimped wheel brush engineered for precision cleaning tasks. It uses high-quality steel with a striking silver and red finish and is suitable for routine surface preparation and maintenance applications. The design provides consistent performance while minimising wear. Its crimped wire structure has been designed to handle contaminant removal efficiently and support effective cleaning outcomes in trade and professional applications.

Features

- Crimped steel brush construction improves cleaning performance
- Operates at up to 6000 revolutions per minute
- Designed for both indoor and outdoor applications
- Durable silver and red finish enhances visual identification
- Engineered for precise efficient cleaning on surfaces
- Long brush life benefits prolonged operational use
- Crimped wire design creates steady cleaning strokes
- Engineered for robust reliable performance throughout its lifespan

Product Code: 3103

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	6000
Wire Style	Crimped Wire

Appearance

Product Colour	Silver/Red
