

SIT Stainless Steel Crimped Wire Wheel 125mm x M14

Description

SIT Stainless Steel Crimped Wire Wheel 125mm x M14 is engineered for precision cleaning and surface preparation for trade professionals. Constructed of high-grade stainless steel, this silver and green wheel brush offers robust performance with a maximum speed of 15000 RPM. Its crimped wire design ensures consistent abrasive action in both indoor and outdoor settings. The product provides effective material removal and maintenance, contributing to improved efficiency in a range of technical applications.

Features

- Constructed from high-quality stainless steel for durability
- Suitable for indoor and outdoor cleaning operations
- Crimped wire design promotes debris removal
- Engineered for high-speed rotation up to 15000 RPM
- Silver and green finish ensures enhanced visual appeal
- Wire style supports rugged wear in diverse applications
- Crafted by SIT with focused industrial precision and quality
- Simplified design reduces maintenance demands and operational downtime

Product Code: 3121SS

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	15000
Wire Style	Crimped Wire

Appearance

Product Colour	Silver/Green
