

Easyroll 4.00x8" Pneumatic Butyl Rubber Tube Spare 220kg

Description

Easyroll 4.00x8" Pneumatic Butyl Rubber Tube Spare 220kg is a tube designed for trade professionals requiring dependable performance. It is constructed from butyl rubber and engineered for inner tube wheels sized 400X8/4.00-8, utilising a plain bearing setup. Suitable for both outdoor and indoor use, this product provides a straightforward solution for maintaining operational efficiency and technical reliability in applications that demand consistent functionality.

Features

- Built from robust butyl rubber for reliable performance
- Designed to suit 400X8 and 4.00-8 wheel sizes
- Compatible with plain bearing systems for inner tube wheels
- Versatile usage in both outdoor and indoor environments
- Delivers dependable spare performance for pneumatic tyre applications
- Ensures consistent fit on standard swap wheel designs
- Manufactured with precision and robust build details
- Easyroll tube simplifies replacement for minimal downtime operations

Product Code: 400X8TUBE

Specifications
