

Description

Proval Securitex HR Latex Examination Glove is a medical-grade glove made from natural rubber latex that offers chemical, liquid and detergent resistance for precision applications in medical and trade settings. It is designed for use in hospitals, diagnostic laboratories, dental practices, aged care and food processing among other professional environments. Its technical construction supports consistent performance and safe handling in tasks that require reliable examination and cleaning procedures.

Features

- Natural rubber latex composition for reliable tactile feedback
- Examination grade glove designed for varied technical applications
- Ocean blue colour enhances professional tool identification
- Chemical resistant properties ensure protection against reactive substances
- Liquid and detergent resistant performance during cleaning tasks
- Formulated without vinyl, BPA or powder for clean handling
- Medical grade quality designed for precise technical use
- Consistent manufacturing supports reliability during critical operations

Product Code: 41066

Standards

TGA Certified (ARTG Number/ No)	519026
Food Safe (HACCP Certified)	Yes

Medical Grade	Yes
---------------	-----

Specifications

Heat Resistant	No
Sterile	No
Touchscreen Friendly	No
Vinyl Free	Yes
BPA Free	Yes
Powder Free	Yes
Latex Free	No
Silicone Free	No
Washable	No
External Glove Surface	No

Specifications

Puncture Resistant	No
Blade Cut Resistant	No
Liquid Resistant	Yes
Detergent Resistant	Yes
Oil/Grease Resistant	No

Appearance

Product Colour	Ocean Blue
