

Description

Proval Nitrile Blax HD Heavy Duty Disposable Glove is an examination grade glove manufactured with nitrile and designed to offer consistent performance in varied professional tasks such as cleaning, medical, and cosmetic applications. It features touchscreen compatibility and external surface texturing for improved handling, along with chemical, liquid, detergent, and oil/grease resistance. The glove also provides anti-microbial protection while meeting key requirements for safety and hygiene.

Features

- Nitrile construction provides durability with balanced flexibility
- Vinyl, latex, silicone and BPA free formulation
- Touchscreen friendly assists smooth device interaction
- Chemical resistant for reliable handling of cleaning solutions
- Liquid, detergent and oil resistant for demanding cleaning tasks
- Antimicrobial treatment limits microbial growth during use
- Externally textured surface enhances grip and handling precision
- Examination grade design supports precise and dependable assessments
