

SIT Brass Crimped Wire Wheel 150mm x 27mm

Description

SIT Brass Crimped Wire Wheel 150mm x 27mm is a crimped wheel brush designed to provide precise surface cleaning and deburring. It features high-quality brass wires engineered to deliver consistent performance at up to 6000 RPM. Suitable for both indoor and outdoor applications, it offers a reliable solution for trade professionals who require an effective method for maintaining and preparing metal surfaces.

Features

- Engineered using brass for robust scraping performance
- Crimped wire design provides even cleaning contact
- Supports high-speed rotation up to 6000 rpm
- Built for stability with brass and silver finishes
- Sized at 150mm diameter by 27mm width
- Performs reliably in diverse operational workspaces
- Engineered for a balance of strength and longevity
- Designed for consistent maintenance and cleaning efficiency

Product Code: 4153BRS

Specifications

Outdoor Use	Yes
