

SIT Stainless Steel Crimped Wire Wheel 200mm x 25mm

Description

SIT Stainless Steel Crimped Wire Wheel 200mm x 25mm is a brushed tool designed with crimped stainless steel wire arranged on a wheel. It efficiently removes metal residues and performs surface finishing tasks with rotation speeds up to 6000 RPM. The tool is engineered for practical applications in technical maintenance and repair. Its robust construction and effective design provide clear performance advantages for trade professionals in diverse indoor and outdoor settings.

Features

- Constructed from durable stainless steel brush
- Crimped wire design ensures uniform brushing performance
- Suitable for both indoor and outdoor cleaning tasks
- Operates reliably at speeds up to 6000 RPM
- Engineered for precise maintenance and surface preparation
- Crimped wire structure improves cleaning contact on surfaces
- 200mm wheel design with 25mm brush width
- Crafted by SIT for reliable performance and precision cleaning

Product Code: 4202SS

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
Max RPM	6000
Wire Style	Crimped Wire

Appearance

Product Colour	Silver/Green
