

SIT Steel Crimped Wire Wheel 200mm x 29mm

Description

SIT Steel Crimped Wire Wheel 200mm x 29mm is a precision-engineered brushing tool featuring crimped steel wire set in a silver and red casing. It is designed for cleaning and surface preparation, effectively removing debris and paint through high-speed performance up to 6000 RPM. Suitable for both indoor and outdoor use, its robust build offers reliable performance and efficient maintenance support for trade professionals handling repair and refurbishment tasks.

Features

- Crimped steel wires guarantee durable cleaning performance
- High-speed operation reaches 6000 RPM in demanding tasks
- Distinct silver and red finish supports visual identification
- Suitable for indoor and outdoor cleaning applications
- Balanced brush design promotes even wear and efficiency
- Crimped wire structure secures strong bristle retention
- Designed for high RPM cleaning operations
- Robust construction supports longevity in rigorous cleaning tasks

Product Code: 4203
