

Description

SIT Steel Crimped Wire Wheel 200mm x 36mm is a crimped wheel brush designed for reliable cleaning applications. Its steel construction in silver/red performs effectively indoors and outdoors. The crimped wire design provides efficient abrasive action, and a maximum speed of 6000 RPM allows precise operation. This tool offers practical benefits for trade professionals, supporting maintenance tasks that require consistent, controlled cleaning performance without unnecessary complexity.

Features

- Durable steel brush material ensures long lasting cleaning performance
- Crimped wire design provides efficient surface contact cleaning dynamics
- Operates up to 6000 revolutions per minute for efficiency
- Suitable for both indoor and outdoor cleaning tasks
- 200mm diameter wheel offers broad area coverage
- 36mm width design for precision cleaning in tight spaces
- Robust silver and red finish enhances instrument durability
- Designed with crimped wire reinforcing structural strength for longevity

Product Code: 4204

Specifications

Outdoor Use	Yes
Indoor Use	Yes
Hardware Included	No
