

Description

Proval CPE Boot Cover is designed for professionals in medical, emergency services, diagnostic, food processing, hospital, laboratory, pharmaceutical, dental, forensic and aged care settings. Manufactured from chlorinated polyethylene, these white boot covers provide waterproof performance, water and dust resistance for maintaining hygienic floors, carpets and tiles. The food safe, disposable design features an elasticated top with ankle ties to offer a secure, practical solution for contamination control.

Features

- Durable chlorinated polyethylene construction offers reliable boot cover integrity
- Elasticated top ensures secure and comfortable fit
- Ankle ties provide adjustable fastening for customised fit
- Disposable and waterproof for sustained liquid exposure protection
- Resistant to dust and dirt maintaining clean surfaces
- Food safe design supports controlled sanitary applications
- Designed for both indoor and outdoor use reliably
- Protects floors, carpets and tiles in diverse settings
