

Description

Metal Mate 32 x 3mm x 3m Aluminium Flat Bar is a precisely manufactured flat strip produced in silver-hued aluminium. It offers dependable performance for fabrication and custom construction projects by providing consistent dimensions and a refined finish. Designed for tradespeople and technical professionals, this flat bar is ideally suited for metalworking tasks, ensuring stability and ease of integration in various practical applications while maintaining durability and a straightforward design.

Features

- Lightweight aluminium construction supports efficient handling
- Flat strip shape ensures uniform, precise assembly
- Silver finish provides consistent, visually appealing surface
- Engineered dimensions for accurate fabrication and component integration
- High precision cut for reliable, repeatable performance
- Robust aluminium flat bar simplifies machining and cutting tasks
- Consistent cross-section suits detailed technical fabrication requirements
- Standardised size 32 x 3mm x 3m enhances fabrication planning

Product Code: 5106

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium
