

Description

Metal Mate 16 x 3mm x 3m Aluminium Flat Bar is a flat strip made from high-quality aluminium with a silver finish. Its consistent dimensions support precise measurements and dependable performance in applications where accuracy is essential for trade professionals. The product is engineered with durability and reliability in mind, making it a practical solution for projects that require a stable and technically sound metal component.

Features

- Aluminium construction offers high strength and longevity
- Precision flat strip engineered for consistent thickness and form
- Silver finish enhances clarity in visual inspections
- Manufactured with exact dimensions of 16 x 3mm by 3m
- Smooth surface facilitates efficient secondary processing
- Metal Mate brand guarantees consistency throughout product manufacturing
- Easily integrated into fabrication and construction processes
- Practical design supports uniform construction and accurate fitting

Product Code: 5112
