

Description

Metal Mate 60 x 3mm x 3m Aluminium Flat Bar is a precision-engineered aluminium flat strip designed to offer accurate structural support for various construction and trade projects. The silver flat bar is manufactured with a focus on durability and a consistent surface finish, ensuring reliable performance. It is well suited to providing mounting and connection solutions, which optimises workflow and assembly efficiency for professionals in the field.

Features

- Constructed from lightweight aluminium flat strips
- Precision machined dimensions for accurate fitting and assembly
- Uniform silver finish provides an even aesthetic appearance
- Consistent product dimensions with 60 x 3mm x 3m specification
- Engineered flat strip profile for precise structural integration
- Metal Mate brand assures robust engineering quality
- Supports diverse fabrication, machining and design applications
- Stable mechanical properties benefit structural reliability in construction projects

Product Code: 5113

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	60
Product Width (mm)	3
Product Length (mm)	3000
