

Description

Metal Mate 20 x 3mm x 3m Black Aluminium Flat Bar is a flat strip product designed for reliable performance in fabrication and assembly tasks. Engineered from durable aluminium with a consistent black finish, it offers precise dimensions that support easy integration into numerous projects. Trade professionals benefit from its straightforward design and technical advantages, ensuring accurate measurements and efficient use in construction and related applications.

Features

- Premium aluminium alloy flat bar providing robust performance
- Uniform flat strip design for precise fabrication
- Sleek black finish enhances visual appeal
- Standard dimensions: 20 x 3mm x 3m
- Precise flat strip edges aid easy machining
- Engineered to distribute load and resist bending
- Finished surface improves assembly and cutting ease
- Trusted Metal Mate quality ensures reliable flat bar results
