

Description

Metal Mate 32 x 3mm x 3m Black Aluminium Flat Bar is a flat strip manufactured from high-quality aluminium featuring a consistent black finish. It is designed for straightforward assembly tasks and precision fabrication in trade applications. The product offers stable dimensions, ease of cutting, and reliable structural integrity that supports accurate construction and efficient design in technical projects.

Features

- Black finish provides sleek and practical aesthetics
- Aluminium material offers robust strength with low weight
- Flat strip design supports versatile and precise installations
- Uniform dimensions ensure easy and accurate fitting
- Polished surface aids bonding and fabrication
- Precision engineering delivers consistent shape and stable size
- Metal Mate brand ensures quality manufacturing and performance
- Optimised for practical application in technical projects

Product Code: 5133
