

Description

Metal Mate 20 x 3mm x 2.4m Aluminium Flat Bar is a precisely engineered silver aluminium flat strip designed for fabrication and construction tasks. Its even dimensions and inherent durability support a range of design and repair applications, offering clear benefits to trade professionals. The product's reliable performance and ease of installation provide significant value in projects that require both consistency and precision.

Features

- Aluminium construction ensures weight reduction and durability
- Flat strip geometry delivers consistent load distribution
- Precision dimensions with 20 x 3mm profile and 2.4m length
- Silver finish offers a clean modern aesthetic appearance
- Versatile flat bar adapts to multiple fabrication processes
- Robust material withstands machining, cutting and forming operations
- Consistent dimensional quality for repeatable manufacturing outcomes
- Metal Mate brand guarantees precision engineering and quality workmanship

Product Code: 5202
