

Description

Metal Mate 50 x 3mm x 2.4m Aluminium Flat Bar is a precisely fabricated flat strip of silver aluminium designed for trade professionals. It offers a consistent, high-quality aluminium surface that is easy to machine and assemble, providing straightforward integration into various fabrication projects. The flat bar supports reliable performance and dimensional accuracy, ensuring effective use in fabrication tasks and installation projects, thereby adding value through its practical technical advantages.

Features

- Precision-engineered aluminium construction provides durable structural support
- Flat strip design allows straightforward installation and mounting
- Silver finish offers consistent appearance under varied lighting
- Available in precise 50 x 3mm cross-section and 2.4m lengths
- Engineered flat bars maintain rigidity in construction applications
- Standard finish and low maintenance for straightforward upkeep
- High dimensional accuracy supports reliable, repeatable installations
- Trusted Metal Mate delivering consistent quality throughout flat bar range

Product Code: 5206
