Dust/Dirt Resistant	Yes
Thumb Loops	No
Elastic Hood	Yes
Elastic Waist	Yes
Elastic Wrist	Yes
Elastic Ankle	Yes
Hooded	Yes
Closure/Sealing Type	Zipper with taped single layer flaps.

Appearance

Product Colour	White
----------------	-------

Construction

Seam Type	Serged
Fabric Type	Non Woven Polypropylene Spunbond

Description

Proval Hazguard T5 White Coverall is a disposable protective garment designed for trade and professional applications requiring reliable barrier performance. Constructed from non-woven spunbond polypropylene with elements of polyethylene and elastic rubber, it features serged seams and a secure zipper closure with taped single layer flaps. The coverall offers durable resistance against chemical splashes, biological contaminants, dust and grease, while the elastic components provide a secure,

Features

- Non woven spunbond fabric delivers lint free performance
- Zipper closure with taped flaps for secure sealing
- Elasticated hood, wrist, ankle and waist for flexible fit
- Provides chemical splash and spray resistant protection
- Resistant to tears, abrasion and blood penetration
- Features electrostatic and radioactive particulate protection

Specifications

Abrasion Resistant	Yes
Tear Resistant	Yes
UV Protection	No
Flame Resistant	No
Blood Penetration Resistant	Yes
Electrostatic Resistant	Yes
Infective Agents/Biological Protection	Yes
Radioactive Contamination Protection	Yes
Solid Particulate Protection	Yes
Chemical Splash Resistant	Yes
Chemical Spray Resistant	Yes

Construction

Product Material 1	Polypropylene
Product Material 2	Polyethylene
Product Material 3	Elastic Rubber
