

METAL DIMENSIONS

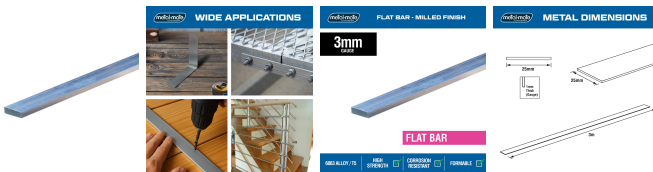

Description

Metal Mate 25 x 3mm x 1m Aluminium Flat Bar is a silver flat strip made from aluminium that offers precise cutting and consistent dimensional accuracy. It is designed to support a range of applications such as custom frameworks, supports and fixtures. Its flat, robust design provides technical advantages by enabling reliable integration into diverse fabrication and assembly tasks, making it a practical choice for professionals in trade and metalworking sectors.

Features

- Constructed from premium aluminium ensuring lightweight strength
- Precisely engineered flat strip for consistent dimensions
- Silver finish offers a clean, modern aesthetic
- 25 x 3mm x 1m size meets technical project requirements
- Reliable quality from Metal Mate guarantees performance
- Uniform shape aids ease of measurement and fabrication
- Corrosion resistant for extended service life
- Simple design enables efficient integration with custom systems

Product Code: 5305

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	3
Product Height (mm)	25
Product Width (mm)	3
Product Length (mm)	1000
