

METAL DIMENSIONS

Description

Metal Mate 32 x 3mm x 1m Aluminium Flat Bar offers a precisely engineered flat strip suitable for a range of technical applications. Its durable aluminium construction and consistent dimensions provide dependable performance in assembly, structural projects and custom fabrications. The flat bar presents a reliable solution that supports accurate fittings and secure frameworks, delivering clear benefits in efficiency and durability for industrial and trade professionals.

Features

- Aluminium composition for reliable strength and light weight
- Flat strip design suited for precise fabrication and assembly
- Consistent silver finish enhances aesthetic and corrosion resistance
- Available in 32 x 3mm cross-section dimensions for accuracy
- Optimised precision manufacturing ensures exact 1m length
- Uniform material properties benefit critical fabrication and installation tasks
- Quality engineered dimensions support repeatable project outcomes
- Precision flat bar offers reliable performance in fabrication projects

Product Code: 5306

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium
