

Metal Mate 40 x 3mm x 1m Aluminium Flat Bar

METAL DIMENSIONS

Description

Metal Mate 40 x 3mm x 1m Aluminium Flat Bar is a precision-engineered flat strip constructed from aluminium and finished in a uniform silver colour. Its exact dimensions support accurate alignment during component assembly and machining operations. Trade professionals benefit from its dependable performance, ease of handling and robust construction, which facilitate efficient project execution in diverse technical applications.

Features

- Flat strip profile ensures uniform and precise dimensions
- Constructed from aluminium with durable structural integrity
- Dimensions measure 40 x 3mm x 1m for accurate applications
- Silver finish adds a sleek professional appearance
- Precision engineering delivers uniform surface consistency
- Manufactured to exacting dimensions for ease of fabrication
- Reliable Metal Mate quality ensures dependable performance and integrity
- Designed with flat bar precision for practical application requirements

Product Code: 5307
