

Description

Metal Mate 50 x 3mm x 1m Aluminium Flat Bar is a precisely engineered flat strip made of high-quality aluminium with a silver finish. Its uniform dimensions and robust build deliver consistent performance and ease of fabrication for projects requiring exact measurements and dependable strength. Trade professionals benefit from its practical design and reliable construction, which support a range of tasks in assembly, maintenance, and related applications.

Features

- High quality aluminium ensures durability
- Silver finish provides a neat professional appearance
- Flat strip design simplifies installation and alignment
- Standard dimensions suit diverse project requirements
- Resistant to corrosion for lasting performance
- Precision manufacture ensures consistent quality every time
- Ideal for fabrication, machining and structural projects
- Reliable support for various mechanical and design needs

Product Code: 5308

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Silver

Construction

Product Material 1 Aluminium
