

METAL DIMENSIONS

Description

Metal Mate 60 x 3mm x 1m Aluminium Flat Bar is a precision-engineered flat strip product, offering consistent dimensions and a silver finish with enhanced visibility. It is designed for applications requiring reliable support and structural reinforcement. Fabricated from aluminium, the flat bar provides excellent durability and machinability. Trade professionals benefit from its technical advantages and ease of integration into various design frameworks, ensuring practical and effective performance in multiple applications.

Features

- High-quality aluminium construction for consistent strength and durability
- Precise 60 x 3mm x 1m dimensions for accurate installations
- Flat strip design for uniform surface contact
- Precision engineering delivers smooth, straight edges
- Silver finish offers clean, modern aesthetic
- Built by Metal Mate for dependable material quality
- Long-lasting aluminium resists corrosion under diverse applications
- Versatile flat bar for numerous fabrication applications

Product Code: 5310

General

Product Type	Flat Bars
Appearance	
Product Shape	Flat Strip
Product Colour	Silver

Construction

Product Material 1	Aluminium
--------------------	-----------

Dimensions

Product Thickness (mm)	3
Product Height (mm)	60
Product Width (mm)	3
Product Length (mm)	1000
