Metal Mate 16 x 3mm x 1m Black Aluminium Flat Bar

Description

Metal Mate 16 x 3mm x 1m Black Aluminium Flat Bar is a flat strip designed with precise dimensions to support accurate assembly and fabrication processes. Crafted from resilient aluminium, it offers consistent performance and ease of use in technical projects. Its black finish provides a uniform appearance, while the flat design enhances compatibility with various cutting and fixing solutions. The product is a practical choice for professionals seeking reliable components for detailed trade applications.

Features

- Precision cut for accuracy in various applications
- Uniform thickness aids reliable component alignment
- Durable aluminium construction withstands rigorous service conditions
- Compact profile for easy integration into various assemblies
- Black finish resists visible wear and tear
- Available in 16 x 3mm x 1m dimensions
- Manufactured by trusted Metal Mate brand
- Engineered for high precision in custom fabrication projects
