

Description

Metal Mate 25 x 3mm x 1m Black Aluminium Flat Bar. This flat strip is engineered for precise fabrication tasks and technical applications. Constructed from high-quality aluminium, it delivers consistent performance in machining, assembly and lightweight construction. Its robust build and accurate dimensions offer clear advantages to trade and engineering professionals, ensuring reliable, standard components for detailed work and efficient operation.

Features

- Premium aluminium construction ensures lightweight yet durable performance
- Black finish offers consistent appearance
- Precisely machined flat strip for accurate applications
- Compact dimensions: 25 x 3mm x 1m
- Stable surface supports reliable fabrication measurements
- Uniform texture aids precise placement and jointing
- Engineered for consistent dimensions and straight alignment
- Versatile design integrates with various application methods

Product Code: 5328

General

Product Type Flat Bars

Appearance

Product Shape Flat Strip

Product Colour Black

Construction

Product Material 1 Aluminium
