

Metal Mate 32 x 3mm x 1m Black Aluminium Flat Bar

METAL DIMENSIONS

Description

Metal Mate 32 x 3mm x 1m Black Aluminium Flat Bar is a precision-engineered flat strip designed for various construction and maintenance projects. It features a robust aluminium composition, a smooth black finish, and consistent dimensions, ensuring reliable performance in framing and structural applications. Trade professionals appreciate its precise quality and ease of fabricating custom components, contributing to efficient project execution and dependable outcomes in technical applications.

Features

- Precise 32 x 3mm dimensions for exact measurements
- Smooth finish yields enhanced reliability and refined appearance
- Lightweight aluminium construction facilitates easy handling and installation
- Rich black finish delivers sleek modern appearance
- Uniform flat strip ensures stability and dimensional accuracy
- Robust design provides reliable support in diverse applications
- Metal Mate craftsmanship ensures dependable performance and extended longevity
- Engineered flat bar supports precise fitting and secure installations

Product Code: 5329

General

Product Type	Flat Bars
Appearance	
Product Shape	Flat Strip
