

Description

Proval PP Blue Lab Coat is a disposable PP lab coat constructed using non woven polypropylene spunbond and Velcro. Its serged seams and secure closures facilitate practical use in food processing while its HACCP certification underlines its suitability for food safety applications. Designed for reliability during routine tasks, it provides breathable comfort and solid particulate protection, making it an effective solution for professionals in food manufacturing, medical, aged care, laboratory, pharmaceutical, and general manufacturing sectors.

Features

- Constructed from breathable non woven polypropylene spunbond material
- HACCP certified for food safe processing and handling
- Serged seams deliver enhanced durability and cleanability
- Blue colour improves visual identification in busy environments
- Secure fit with Velcro chest closure and elastic wrist
- Disposable design minimises cross contamination risks
- Dust resistant properties guard against particulate matter
- Engineered for rigorous hygienic tasks in quality controlled settings

Product Code: 55009

Specifications

Breathable	Yes
Food Safe/Clean Room Compatible	Yes
Disposable	Yes
Water Resistant	No
Waterproof	No
Dust/Dirt Resistant	Yes
Thumb Loops	No
Elastic Wrist	Yes

Construction

Product Material 1	Polypropylene
Product Material 2	Velcro

Dimensions

Size	One Size
------	----------

Weights

Fabric Weight (GSM)	30g/m2
Product Weight (grams)	67

Standards

Food Safe (HACCP Certified)	Yes
