

Description

Metal Mate 205x 1mm x 2.4m Aluminium Round Tube provides a precision-engineered solution designed with high-quality aluminium. Its consistent dimensions and silver finish contribute to dependable performance in fabrications, fittings and other specialised applications for trade professionals. The round tube delivers lightweight strength and durability, supporting accurate results in customised construction and maintenance projects.

Features

- Constructed from durable aluminium for lasting performance
- Engineered round shape provides uniformity and strength
- Metal Mate quality ensures dependable construction and finish
- Silver finish offers modern appearance and corrosion resistance
- Lightweight tube simplifies handling and installation processes
- 2.4m length accommodates varying project requirements easily
- 1mm wall thickness balances strength with practical weight
- Suitable for a wide range of technical applications

Product Code: 5553

General

Product Type Round Tube

Appearance

Product Shape Round

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1
Product Height (mm)	25
Product Width (mm)	25
Product Length (mm)	2400
