

METAL DIMENSIONS

Description

Metal Mate 12 x 1mm x 1m Aluminium Round Tube is a precision-engineered component designed for fabrication, construction and architectural applications. Its uniform, round profile and high-quality aluminium composition deliver consistent performance for trade professionals. The silver finish offers a clean appearance and durability, while its standard dimensions enable straightforward integration into various projects, promoting efficient resource use and dependable outcomes.

Features

- High-quality aluminium construction ensures durability and performance
- Precision engineered dimensions for accurate application
- Uniform round shape maintains consistent aesthetics and function
- Silver finish provides a clean, modern appearance
- Low weight design simplifies handling and installation
- Optimised for precise tubing applications across various trades
- Reliable performance from a trusted Metal Mate product
- Available in standard 1m lengths for versatile configurations

Product Code: 5627

General

Product Type Round Tube

Appearance

Product Shape Round

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1
Product Height (mm)	12
Product Width (mm)	12
Product Length (mm)	1000
