

Description

Metal Mate 25 x 1mm x 1m Aluminium Round Tube is a precision-engineered round tube designed for practical applications in industrial and trade contexts. The product features a consistent round shape and a sleek silver finish, providing a reliable material option made from high-quality aluminium. Its standard sizing and durability contribute to ease of assembly and integration into various technical projects, enhancing operational efficiency and providing dependable performance for professional use.

Features

- Constructed from high quality aluminium
- Smooth round profile offers streamlined appearance
- 25 x 1mm x 1m dimensions enhance versatile integration
- Durable construction ensures prolonged performance
- Lightweight design aids handling and installation
- Polished silver finish elevates aesthetic appeal
- Precision manufacturing delivers reliable dimensional accuracy
- Engineered for consistent quality and performance
