

Description

Proval Breathable PP Pallet Covers are engineered for professionals in food processing, pharmaceutical, medical, laboratory, manufacturing and warehouse environments. They are constructed from high-quality polypropylene in a square, blue format with an elasticised perimeter that ensures a secure fit. The breathable design supports sanitary conditions and contributes to efficient product handling during various industrial and trade processes.

Features

- Breathable polypropylene construction enhances pallet air flow
- Elasticised perimeter ensures a secure, practical fit
- Square shape maximises storage and transport efficiency
- Disposable cover suited for food processing and manufacturing
- Blue colour aids in quick visual identification
- Durable material withstands routine handling stresses
- Versatile design applicable to food and pharmaceutical processes
- Robust construction ensures dependable performance during material handling

Product Code: 56999

Specifications

Breathable	Yes
Food Safe/Clean Room Compatible	Yes
Disposable	Yes
Water Resistant	No
Waterproof	No
Dust/Dirt Resistant	Yes
Elasticised around Perimeter	Yes

Standards

Food Safe (HACCP Certified)	Yes
