

Description

Proval Breathable PP Pallet Covers are square, disposable covers crafted from polypropylene. They feature an elasticised perimeter that provides a secure fit while ensuring adequate breathability, making them suitable for applications in food processing, pharmaceutical, medical and laboratory settings. The white, food-safe, and clean room compatible covers offer a reliable solution for safeguarding palletised goods during transit and storage, thereby delivering practical benefits to trade professionals through their technical design and ease of use.

Features

- Constructed from durable polypropylene for reliable pallet protection
- Square shape for uniform coverage in storage and transport
- White finish provides easy visual inspection and labelling
- Breathable design preserves product freshness in varied applications
- Food safe and clean room compatible for quality assurances
- Disposable cover for flexible use in high volume operations
- Elasticised perimeter secures cover onto pallet edges
- Engineered for food, pharmaceutical, medical and laboratory use

Product Code: 57000

Specifications

Breathable	Yes
