

# Metal Mate 19 x 19 x 1.2mm x 3m Aluminium Square Tube

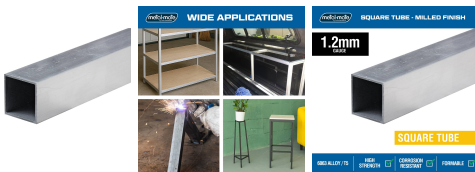

## Description

Metal Mate 19 x 19 x 1.2mm x 3m Aluminium Square Tube is a silver square tube manufactured from durable aluminium. It offers precise dimensions that support accurate fabrication and construction projects. The tube's uniform square shape facilitates straightforward assembly and reliable performance for structural and decorative applications. Its clear technical specifications and robust design deliver practical advantages to trade professionals who require dependable, easy-to-work-with components for various projects.

## Features

- High-quality aluminium construction ensures robust durability
- Precision square profile for accurate assembly
- 1.2mm wall thickness promotes consistent performance
- 3 metre length accommodates diverse project requirements
- Sleek silver finish resists corrosion and wear
- Engineered for stability and reliable installation
- Ideal for custom fabrication and structural applications
- Uniform dimensions support high-precision engineering solutions

**Product Code: 5751**

### General

Product Type Square Tubes

### Appearance

Product Shape Square

Product Colour Silver

### Construction

Product Material 1 Aluminium

### Dimensions

Product Thickness (mm) 1.2

Product Height (mm) 19

Product Width (mm) 19

Product Length (mm) 3000
