

Metal Mate 25.4 x 25.4 x 1.2mm x 3m Aluminium Square Tube

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 3m Aluminium Square Tube is designed for professional construction, fabrication and engineering applications. The aluminium structure offers precise dimensions and consistent performance, supporting a range of custom-made frames and structural layouts. Its square shape and silver finish aid in straightforward integration and maintenance, providing a reliable solution for trade professionals who require accuracy and durability in their metalwork projects.

Features

- Constructed from durable aluminium ensuring lightweight strength
- Precision square shape for reliable fitting and alignment
- Silver finish provides a clean professional appearance
- 3 metre length supports versatile design flexibility
- Square profile improves stability in structural applications
- Engineered with precise dimensions for accurate installation
- Uniform build ensures repeatable performance in custom setups
- Built with specialised aluminium for professional reliability

Product Code: 5752

General

Product Type Square Tubes

Appearance

Product Shape Square

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm)	1.2
Product Height (mm)	25.4
Product Width (mm)	25.4
Product Length (mm)	3000
