

Metal Mate 25.4 x 25.4 x 1mm x 3m White Aluminium Square Tube

Description

Metal Mate 25.4 x 25.4 x 1mm x 3m White Aluminium Square Tube is a square tube of aluminium featuring a white finish designed for precise fabrication projects and custom assemblies. It offers accurate dimensions with reliable structural integrity, supporting diverse applications in machine frames, enclosures and equipment housings. Professionals appreciate its lightweight and corrosion-resistant properties, ensuring ease of handling and a consistent quality that meets specific design requirements.

Features

- White anodised aluminium with a robust square profile
- Square cross section with 25.4 x 25.4 millimetre dimensions
- Engineered 1mm wall thickness for precision
- 3 metre tube offers extended installation length
- Precision machined aluminium ensures reliable structural performance
- Clean white finish enhances visibility and aesthetics
- Metal Mate built for dependable performance
- Aluminium material provides lightweight handling and corrosion resistance

Product Code: 5757

General

Product Type Square Tubes
