

Description

Metal Mate 25.4 x 25.4 x 1mm x 3m Black Aluminium Square Tube is a precisely engineered component designed to support a range of structural and design projects. It offers a consistent square profile, excellent dimensional stability and a durable black finish that enhances its visual appeal. The product is valued by trade professionals for its reliability in technical fabrications and ease of integration into various practical assemblies.

Features

- High-quality black aluminium ensures durability and dependable performance
- Precision square tube shape guarantees uniform and accurate dimensions
- Manufactured using premium aluminium offering excellent strength to weight
- Dimensions 25.4 x 25.4 x 1mm cross-section and 3m length
- Neat black finish offers professional appearance in technical applications
- Robust construction ensures stability for secure mounting applications
- Compatible with various connection systems for flexible design options
- High-grade aluminium supports accurate alignment for structural assemblies

Product Code: 5758

General

Product Type	Square Tubes
Appearance	
Product Shape	Square
Product Colour	Black

Construction

Product Material 1	Aluminium
--------------------	-----------

Dimensions

Product Thickness (mm)	1
Product Height (mm)	25.4
Product Width (mm)	25.4
Product Length (mm)	3000
