

Metal Mate 19 x 19 x 1.2mm x 2.4m Aluminium Square Tube

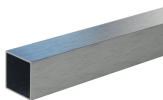

Description

Metal Mate 19 x 19 x 1.2mm x 2.4m Aluminium Square Tube is crafted from high-quality aluminium and features a precise square shape with a silver finish. Its standard dimensions are designed for accurate fabrication and versatile assembly applications for trade professionals. The product offers consistent strength and ease of integration into various projects, supporting efficient construction and reliable performance in creating mechanically sound frameworks and components.

Features

- Made from premium aluminium for strength and light weight
- Square design ensures uniform connections in fabrications
- Finished in silver for clear visual identification
- 19 x 19mm cross-section enables versatile assembly options
- 1.2mm wall thickness supports structural stability in builds
- Available in 2.4m lengths for project adaptability
- Metal Mate quality guarantees consistent manufacturing standards
- Engineered for practical application and ease of installation
