

Metal Mate 25.4 x 25.4 x 1.2mm x 2.4m Aluminium Square Tube

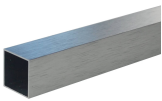

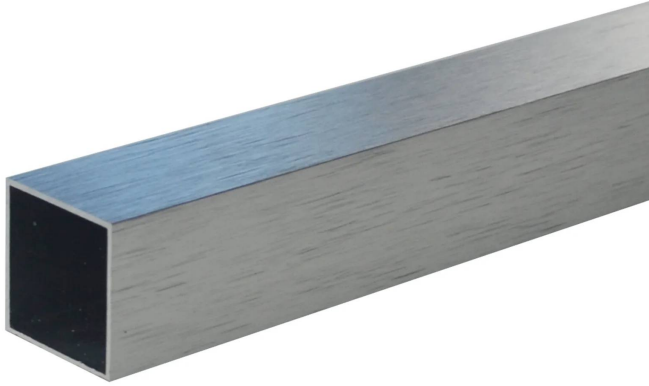

Description

Metal Mate 25.4 x 25.4 x 1.2mm x 2.4m Aluminium Square Tube is precision-engineered using durable aluminium that offers a robust yet lightweight solution for a range of fabrication and construction applications. The silver square tube provides a consistent and uniform finish with dimensions optimised for reliable load distribution in framework design. Its structural integrity and ease of assembly make it a valuable component for professionals seeking practical and efficient building materials.

Features

- Square design ensures uniform load distribution
- Aluminium construction provides lightweight strength and durability
- Silver finish adds a modern, refined appearance
- Precise dimensions support accurate design and construction
- Robust build delivers reliable structural support
- 2.4m length accommodates diverse project requirements
- Engineered to maintain reliable performance in varied setups
- Metal Mate quality assures precision and form

Product Code: 5801

General

Product Type Square Tubes

Appearance

Product Shape Square

Product Colour Silver

Construction

Product Material 1 Aluminium

Dimensions

Product Thickness (mm) 1.2

Product Height (mm) 25.4

Product Width (mm) 25.4

Product Length (mm) 2400
