

Description

Metal Mate 30 x 30 x 1.5mm x 1m Aluminium Square Tube is a precisely engineered square tube designed for secure framing and mounting applications. Constructed from aluminium, it combines durability with a light weight profile. It offers clear measurement consistency and a refined silver finish that simplifies precision adjustments and alignment for tradespeople. This tube supports a range of practical assembly and support tasks across various professional settings.

Features

- Constructed with lightweight aluminium for ease of handling
- Precision square tubing with uniform 30 x 30mm dimensions
- Robust silver finish enhances wear and visual appeal
- Engineered with a 1.5mm wall thickness for strength
- 1 metre tube length facilitates versatile applications
- Minimal maintenance required due to corrosion resistant properties
- Reliable construction supports demanding daily tasks
- Trusted Metal Mate design provides dependable product performance
